

First Due Training

Presents

FIREFIGHTER SURVIVAL SEMINAR

PETZL EXO SYSTEM / R I T RESCUE SYSTEM / NO HARNESS SYSTEM

April 17, 2009 or April 18, 2009
9am to 5pm

WSP FIRE TRAINING CENTER

North Bend, Washington

*** Take Exit 38 off I-90 and follow the signs**

\$195 per student (early registration before March 20)

\$225 per student (after March 20, 2009)

Instructors are certified to teach the Petzl EXO and R I T Rescue Systems. Instructors are both active and retired firefighters and officers, some being assigned to Special Operations Command within FDNY Rescue and Squad Company units.

Certificates: Students who successfully complete the class will receive the required certificates to purchase and use the above listed systems.

How to Register: Registration can be done online or by phone.
